Welcome to the 2010 USNSCC, Lake Michigan Division **DISCOVER SCUBA** Training. We accept Male / Female Cadets and Leaguers. All students must be mature enough to complete the Class room portion and to follow all safety instructions to take advantage of this training. Unit CO will determine if Students are qualified for this training. Cadets participating in the Navy Seal PRT event may still make it to our event in the afternoon. Others are invited to join us in the morning for our drill. We look forward to sharing a rewarding, educational, and fun day with you. Please review the attached documents and information below. Then be encouraged to email any questions you may have.

There is no charge for this event thanks to the staff at H2O Scuba. Friends and family members are invited to participate. We **MUST** receive a signed waiver from everyone who participates. We look forward to hosting you. Roster is due 10 MAR 10. I look forward to your replies.
