Welcome to the 2010 USNSCC, Lake Michigan Division Small Arms Training.

We accept Male / Female Cadets and Leaguers. All students must be mature enough to complete the Class room portion and written test, and to follow all safety instructions to take advantage of the range portion of the training. Unit CO will determine if Students are qualified for this training. We look forward to sharing a rewarding, educational, and fun weekend with you. Please review the attached documents and information below. Then be encouraged to email any questions you may have.

Ltjg Todd Nitz
CO Lake Michigan Division.

Officers / Cadets Fees. We have had Staff who wanted to take the class, get the NRA certification and shoot the ranges. It is a lot of fun, and you can earn the marksmanship ribbon. That would cost the same as the Cadets. \$80. If you can skip the class and the shooting Id like you to give the church school \$10 for two nights berthing, and pay \$20 for five meals including the Saturday cook out. \$30 total.

Local cadets who do not wish to berth or attend the cook out will be charged \$65 for the training, materials, ammo, and four meals. I encourage them to enjoy the fellowship with the visiting cadets and enroll for the entire event.

We MUST receive a singed waiver from everyone who uses the ranges.

We look forward to hosting you.

30 APR 10	19:00 – 22:00	Arrive at Berthing. Immanuel Lutheran School. 9650 N Church St. Bridgman, MI 49016.
01 APR 10	0630	Depart for Berrien County Sportsmen’s Club. 49127. UOD Dress Blues
